

Curriculum Vitae August Benz

August Benz (1969), Dr. rer. publ. HSG, Head Private Banking and Asset Management, Deputy CEO of the Swiss Bankers Association (SBA)

August Benz started his banking career as a strategic consultant at UBS in 1999, working in the bank's Corporate Center and from 2006 held various management positions at UBS Asset Management. He was the head of UBS Asset Management's strategy department for a number of years. Following this, he was responsible for leading and reorganising Europe's largest fund platform to fit it to a world without retrocessions. He was also responsible for leading the B2B distribution of UBS funds in Switzerland. Over the course of several years, he built up UBS Asset Management's global distribution management function, including sales management, sales analytics, marketing and client portals. His most recent position at UBS was as Head Client Servicing, with global responsibility for the establishment and implementation of a centralised client servicing function. He has a proven track record in the banking industry and is well acquainted with the various aspects of financial market regulation. August Benz has a Ph.D. in political science from the University of St. Gallen.

Since July 2017, August Benz has been Head Private Banking and Asset Management of the SBA and, since December 2017, Deputy CEO. His is also responsible for all matters relating to Europe, digitalisation, sustainability and economic policy.
